

Letter of recommendation

Fintra – The Finnish Institute for International Trade carried out a marketing research of corporate preferences for training services in St. Petersburg accomplished by Agency of Social Information ACI in 2004.

On the basis of this marketing research Fintra entered the St. Petersburg market of corporate training services in autumn 2005.

We were very satisfied with the cooperation with the agency and can warmly recommend the services of Agency of Social Information.

In Helsinki, 16th March 2007

Tuija Eloranta
Manager, Competence Development

Fintra - The Finnish Institute for International Trade
